Dear Sir,

The last two candidates from CRAFT is doing great in 91mobiles, now we are looking to hire a Video Editor at 91mobiles for 3 months internship. we will pay the stipend during the internship period, and if the candidate performed well, he can join the organization after the internship.

The person should have sound knowledge of theoretical and practical aspects of Video editing.

The role provides attractive growth prospects in the level of work. It is based out of 91mobiles' corporate office in Gurgaon.

Qualification: Any graduate (Experienced candidate will preferable)

Please let me know if you need any additional info.  
Look forward to hearing from you.
