

The Vedantu Story

Our story can be summarized in one sentence, “*necessity is the mother of invention*”.

The reason that we exist is simple. Teaching processes have stayed the same for decades. The traditional teaching and offline education systems are plagued with multiple inefficiencies.

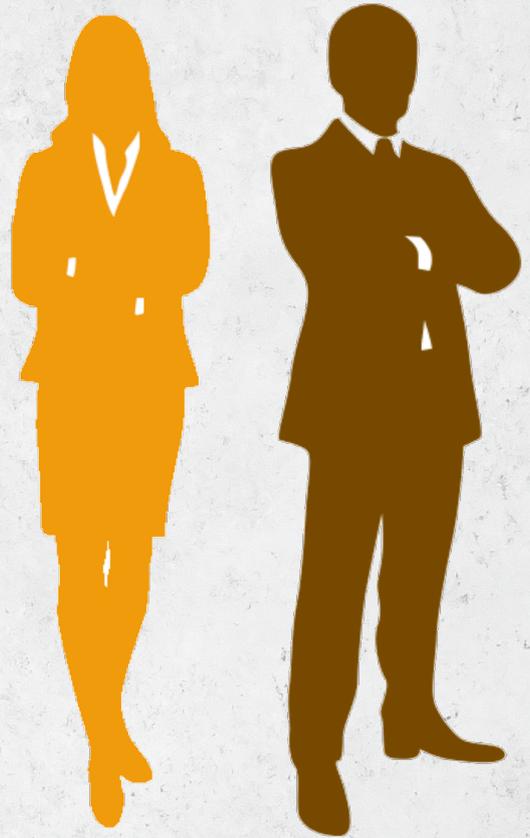

Our vision at Vedantu is to reimagine and evolve the way teaching and learning have been happening for decades. By combining quality teachers, engaging content and superior technology we are able to create a superior learning experience for students and aid in their outcome improvement, which is unlike any offline experience.

A Brief About The Profile

Designation: Master Teacher

CTC: Rs. 4,00,000 - Rs. 6,00,000

Location: PAN India

Who are we looking for?

We are searching for young and ambitious souls who have the desire to make some real impact in the world. Our search is for people who believe in equality, inclusiveness and have the belief that they can shape the future of our nation.

At Vedantu, we call them *Master Teachers*. They are our warriors, who leave a daily mark on millions of young souls and prepare young kids for the battles of the future.

Vedantu is on a mission to glamourise the field of education and get the best brains into teaching. For the same, it has been investing heavily in hiring and training some of the brightest young minds who can spell magic through their narration and emotional connection with the kids.

Profile Details

How can you contribute?

1. Build your academic skills by exhaustively covering the entire syllabi from all the standard text books within as well as outside the standard curriculum for the target age groups in your subject.
2. Thoroughly understand the students requirements and accordingly prepare yourself for delivering fantastic, engaging, energetic and high quality lectures to the students through various channels like Vedantu Platform, Youtube and other similar channels.
3. Constantly analyse, investigate and explore different methods to provide better in class delivery experience to students.
4. Connect with students outside the class via various Vedantu student community tools and build a strong connect with the students.
5. Contribute in content development in designing, creating or reviewing in class content, assignments and tests.

A few skills that you must have!

1. Excellent communication skills in English and a charismatic personality are a must. Exposure to taking live online sessions are an added advantage.
2. The teachers who have produced top rankers will be given preference.
3. The teacher screen presence and energy needs to be high.
